

**DO YOU EVER THINK ABOUT THE MEANING
OF LIFE?**

**WHAT DOES IT MEAN TO BE A PERSON OF
FAITH?**

THE PRIORY INSTITUTE

The above are questions that I had continuously asked myself, questions that I needed guidance on. My faith understanding had not progressed much past my early teens. I wished to understand how important God was in my life. I enrolled in the Priory Institute in Tallaght to seek guidance. What I have found in studying various aspects of my faith, spirituality, theology, philosophy, scripture, world religions etc., is a renewed confidence in my faith and the central role that God plays in my life. I have also had the opportunity not just to blindly accept but to question my faith in an atmosphere of understanding and acceptance. I have also obtained the greatest sense of peace.

The priory institute provides long distance courses where one can achieve certificate or diplomas in individual modules or work towards their degree in theology. Delivery is through 'blended' learning, with a mixture of onsite and online study. Attendance at semester launch days is required. In addition, each module has two study days and two tutorial days, which students must attend either in person at St Mary's Dominican Priory, Tallaght, Dublin 24, or later online. Ongoing support is available from a coordinator and in-depth help from specialist academic tutors. tel:+353 1 404 8124 enquiries@prioryinstitute.com
